Professional Indemnity coverage notices

Claims made basis and retroactive date

This Professional Indemnity Insurance policy is issued on a 'claims made and notified' basis, which means that:

- The Policy covers claims that are first made against you and you tell us about during the Period of Insurance. The Policy doesn't cover claims or potential claims that you knew about prior to the Period of Insurance. (There are some exceptions to this rule if the Policy contains a 'Continuous Cover' extension.)
- If during the Period of Insurance, you learn about facts that might lead to a claim and you tell us in writing about these facts, we will treat any subsequent claim arising from those facts as though it was made against you during the Period of Insurance. But if you don't tell us about the facts during the Period of Insurance, you won't be covered for claims arising from those facts.
- If a retroactive date is applied or shown on the Policy schedule, the Policy doesn't cover claims resulting from an act or failure to do something before that date.
- The policy doesn't cover facts or claims you tell us about after expiry of the Period of Insurance, even if the incident giving rise to the claim occurred during the Period of Insurance.

Average provision

If a payment in excess of the Limit of Indemnity available under your policy has to be made to dispose of a claim, Suncorp's liability for Defence Costs incurred with its consent shall be such proportion thereof as the amount of indemnity available under this policy bears to the amount paid to dispose of the claim payments.

Subrogation waiver

This policy contains a provision that has the effect of excluding or limiting Suncorp's liability in respect of a liability incurred solely by reason of the Insured entering into a deed or agreement excluding, limiting or delaying the legal rights of recovery against another.
